REF: (1) Application dated 26.3.1953. from Srimathi Marceline Gonsalves; widow of late Sri W.J.M.Gonsalves

****

Sri W.J.M.Gonsalves, Head Clerk Revenue Divisional Office Mangalore met with an instantaneous death death on 23.3.1953, in a lorry- accident while coming to office. The accident was investigated by the District Superintendent of Police, South Kanara, and the case was treated as an accident due to unforeseen circumstances. His widow, Srimathi Marceline Gonsalves has now applied for the grant of compassionate gratuity, under the rules.

2. The deceased Sri W.J.M. Gonsalves, was a permanent L.D.C. of the department and was officiating as Head Clerk of the office of the Revenue Divisional Officer Mangalore. He has left behind him his wife M.Gonsalves aged 23 years, a daughter aged 5½ years a son aged 4½ years and a baby boy aged 7 months.

3. The application of the widow of the deceased was enquired into by the R.D.O. Mangalore. The enquiry held reveals that the deceased entered services in the Revenue Department on 24.8.31 and that he counts a service of 20 years in the department. He was drawing Rs.110/- P.M. as pay Rs.27/- as D.A. and 12/- p.m. as H.R.A. The past conduct and character of the deceased are reported to be good. It is also reported that the family was entirely dependent on the deceased and that he had not left

sufficient assets or savings for the maintenance of the family and for the education of the poor children. On a reference to the Accountant General Madras it is reported that he has a credit of Rupees 1363/- towards the G.P.F.accumulation. This amount is pending payment to the widow of the deceased. The deceased also had taken out an insurance policy for Rs.500/- five hundred only in the Guardian of India Insurance Co.Ltd. Except these two items there are no otherassets. As regards the liabilities, the widow had to incur an expenditure to an extent of Rs.200/- for the funeral etc. of the decease There are no earning members in the family and the widow is also not in a state to earn a living.

4. I am satisfied that the applicant deserves the grant of gratuity in view of the long service of her husband under the Government and also under the unforeseen death of the deceased leaving the wife and the small children in a helpless condition. The applicant has also the responsibility of feeding and bringing up the three children until they come of age.

5. The deceased was drawing a pay of Rs.110/- and a D.A. of Rs.27/- per mensem. The 12 months' pay and D.A. in this case comes to Rupees 1644/-. I recommend that a sum of Rupees 1600/- one thousand six hundred only may be sanctioned to the applicant as compassionate gratuity in view of the tragic circumstances in which the family lost its only breadwinner.

6. The descriptive Roll of the applicant the records of enquiry and the S.R. of the deceased are enclosed.

Yours faithfully,

Yesterday evening (22.3.1953) I left for Udipi for appellate work on the 23rd. Just when I was in the midst of hearing appeals, a trunk-phone message was rushed to me from my clerk, Sri. L. B. Kunder, stating that Sri. W. Gonsalves, my Head Clerk was involved in a lorry accident and that he was instantaneously killed. I immediately rushed to Headquarters and visited the dead body, which was undergo post-mortem examination by the Resident Medical Officer. The doctors, examining the body, told me that there was a rupture of spleen, etc., and that the instantaneous death was due to great shock. Later I went to the scene of occurrence and had a look at it.

2. When I went to my office, I found a report, (copy enclosed) on my table.

3. I understand, that the deceased Head Clerk was carrying with him some papers which have been seized by the Police Officers. The key of the iron-safe which was in charge of the Head Clerk has not been traced. I have therefore sealed the

safe with my seal pending recovery of the key. I recollect that the cash are maintained up-to-date and after the key is recovered they will be looked into and result reported.

4. The accident it appears took place at about 10.30.a.m. when the Head Clerk was on his way to the office. He was riding on a cycle and it is said that he fell down from his cycle by accident, when a lorry from behind came and dashed against him. Full details can be known, after the report from the Police Officers is received.

Sir.

You'll be surprised to receive this letter from me. Worst you'll
It is with deep regret I take up my pen to write that my only
dearest loving Brother William met accident on 23rd. inst: while
he was going to office. It appears he was on his bicycle near
the Cantonment club, he was trying to avoid. a bus, but a lorry coming
in the very edge of the road. The cycle skidded & he was thrown
out & fell, while a lorry which was just at his back passed
over him without getting brakes, which caused him sudden
death. In short, as he was wrongfully driving without
getting brakes, he should surely pay the damages for his life.
But I cant say exactly how the accident was, that Nirmala
who made enquiries will have to help my Sr. In. Law.

Dear Brother with tears I write that my only loving Brother William
is no more in-deed. The two telegrams received one was a
severe heart blow. It is really pitiful that he passed away
so suddenly leaving behind his young widow aged 26 yrs
and two children. Eldest daughter about 5½ yrs. Sachu
son aged 4½ yrs and third son aged 8 months. just who
he wanted about his wife to see better days in future. But
God has willed it otherwise. God wants us to suffer.
God's ways are mysterious. He must have found William
ripe for Heaven, and so He has taken him early to Eternal
Home. His ways are wonderful. It is a real consolation and I'm
proud to say I had my dear Br. William has been all along
a devoted Son to dear Mother, a lovely character, a devoted
husband, and Father. May his soul rest in peace.

I really feel extremely sorry for his young wife & children

are helpless now. His financial position was poor, as [redacted] and life to support dear Mrs. etc. and that was a real [redacted] blessing. I don't think my son Br. William has much saving if he has anything in his office, etc. Will you please help this wife to record his money easily to send her. Which I shall be very thankful to you.

Lost four Brothers in one year 1949. Two married & two bachelors. The eldest Br. has eleven children, seven are living, and five are earning now. Second Brother had four children. My dear Mother was very much worrying & took to her heart. She died in 1951. 24th. Dec. By Br. William & myself we both had consolation to be near her till the last day. In 1952 My dearest loving Br. William departed us so suddenly heart broken, which can never be replaced. I'm the only survivor in the family, left all alone, all burden which God has destined. Yes! I shall surely help my Br. William's wife & three children, as long as I'm able. If chance to Bangalore in March when — I saw you for the first time in connection of this my only Brother William to help them to be in Bangalore. etc. I thank you very much for all the help you rendered to them for which I shall always remember you in my ardent prayers to my The Almighty grant all you need to keep you happy & long.

I must inform you, first bad luck this year. God wishes we should suffer. Just Completed two months I met accident in Gulbarga East Punjab while I was on duty. Just a slip on the road, discovered by immediate X'Ray simple fracture of Rt. Humerus. Reduction was done under Anaesthesia and his Excellency has placed me in Ghorbi on 3rd. March. I have come to hill station, as a convalescent case and the climate just suites my physic. The army looks after me well, and I'll be alright after a month. I have

expect back to my unit at Tellicherry for further treatment. early in May. '53

I wrote to my Brother William I'll be coming home in May in which leave to-day he is no more. Every second day he was inquiring about my health. Now I can't even write, for we are pinned on him R.I.P. At present, inability to travel, just when my Sr. Sr. Jane needs my help. Please get him Casual Leave, but I have to talk again myself to the my husband. My Sr. Sr. Jane is very simple and does not know the world much. Her husband has got married again, and there is not much to call back upon. I can help her for Monthly remittance, as I sincerely feel it is the least I can do. May God bless them. Once again, I request you to help in what ever way Fr. Williams Sr. etc. in the office to send to his wife. By praying Br. William, W.F. Consalves who was working as a head clerk in R.D.O's office Tellicherry.

Forgive me for writing this letter, as in grief I was compelled to write to you.

Once again, accept my thanks for all the help you rendered to my dearest Late Lovely Brother William Consalves. Heart broken, to be in this hour. I'm going with all best wishes, God bless.

Sir

I am writing this second letter. The poverty and the condition of my dearest Br. Pr. Law and the three innocent infants to-day has lead me to explain their difficulties. As you have been already aware of my only living & dearest Brother (the deceased) Mr. W. J. P. Gonsalves. Head Clerk. R. D. O's Office Mangalore who departed from us on 23rd. March 1953 by Lorry accident. While on duty. So early & so sudden leaving us in the darkest of sorrow and heart broken. It is very difficult to get over this shock. That he has left me alone. etc. It is very hard to bear this heavy trial and the cross. God sends misfortunes after misfortunes to prove It will take its own time to heal my aching heart, as the wound is as fresh as it was. My dearest Br. Pr. Law is almost uncontrollable writes distressed letters. It appears the two children are enquiring where is Papa! When is he coming! And asking Mother to write letters to Papa to come home soon. Not only this, they anxiously wait in the evenings for their loving Father's arrival and every now & then seeing the time, and asking Mother the time, but all in vain for their loving Fathers arrival. Now they both sit together and talk to themselves. How heart broken it must be for the dear Mother! May God console her in the greatest sorrow & pain and also give her strength to bear this heavy cross.

My dearest Brother (deceased) due to extreme difficulties

at home (as we lost four Brothers in one year 1949, and also my dearest Mother in 1950) And his small pay he used to get. he could not save anything. He used to find difficult to meet both ends. and my remittance used to help him. He lived according to his means. He has Insurance of Rs 500/- only in the Guardian's Insurance Co. From all the records kept by his office it is Rs 1000/- only for his dearest wife & the children, and I do not understand how she will get on in future. No property, staying in a rented house, and everything to get from outside is Money. No help from her Fathers place, as they are poor as they have to work for their daily bread. and moreover her Father has got married again. The only little help she can get is from me, as long as I'm able to work, and now I'm the only sister left. I have to carry this heavy burden and I trust God will help me, and keep me in good health to help them. I accept God registers the acts of Kindness of love, and requites them in his own mysterious ways. My only loving Brother W. J. W. Gonsalves was a dutiful loving son to dearest Mother, and also to his wife. Regular in his religious duties. honest in work, steady character, devoted husband and Father. Everyone was fond of his excellent good nature It is a sudden shock to his young wife, that God took him so early, so sudden. when he had to raise for better days in future. and also to see the welfare of his children. Gods ways are mysterious! None can understand. He never sends troubles single. He wanted my only Brother in His Heavenly Home to enjoy eternal rest and happiness. May he rest in peace.

Sir, one request, and please do me this favour

My dearest Sr. In. Law has already sent a petition to you. Please help her and grant the widows compassionate grand in her exceptional case who is helpless to day, as the deceased was a Govt. Servant Also help to grant some gratuity for these three innocent Infants till they come of age. Please help to grant the maximum amount due to their difficult and helpless circumstances. I shall be very grateful and thankful to you for the kindness & this help you will render towards my dearest Sr. In. Law and three Infants. Eldest daughter 5½ yrs. second son 4½ yrs and third son only 5 Months. May the Almighty grant all you need to keep you happy life long. I shall always wish you in my earnest prayers for your good health.

As regard myself. I'm still a patient in the hospital since Jan. 18th. i.e. the victim of small accident not while on duty simple fracture of H. Humerus. The Army is looking after me well and I'm improving. My plaster will be removed by 10th. inst. Check X'ray and further treatment, which will take 2 Months more, and then I shall come to Bangalore on sick leave. I only pray my hand to be completely cured & also my livelihood in future, and also help my poor Sr. In. Law and three Infants as long as I'm able. Faith will cure me.

I must thank you very much for all that you had done for my only brother, and did your best to help him in Bangalore. He was very thankful to you and used to write home "you are a good hearted straight forward, and will help for all the rights etc.

The accident in which the late Sri W.J.M. Gonsalves, Head Clerk, R.D.O's Office, Mangalore met his death, has been duly investigated in Mangalore North Police Station Crime No. 57/53 section 304 (A) I.P.C.

2) The investigation revealed that the late Sri Gonsalves who was riding on a bicycle along the extreme left of the road swerved the cycle from the foot path to tar road. Unfortunately for him, there was a deepent on the left side foot-path to the built-up area into which the cycle slipped and he lost grip of the handle and fell down on the built up road just in front of a lorry which was proceeding slowly in the same direction. When Sri Gonsalves fell down the driver of the lorry applied the brake immediately. Nevertheless the front left wheel of the lorry came in contact with the back portion of Sri Gonsalves resulting in fatal injuries to the internal organs.

3) The occurrence in this case is attributable to unforeseen circumstances and no blame could be attached either to Sri Gonsalves or the lorry driver. The case was therefore treated as an accident.

GRATUITY: Madras Compassionate Gratuity Rules - grant of - petition of Smt. Marcelline Gonsalves.

Your Ref.F2.2675/53, dated.15.5.53.

. . .

The petitioner, Smt. Marcelline Gonsalves, is the ~~xiw~~ widow of the late Head Clerk, Sri. W. J. M. Gonsalves of my office. The deceased met with instantenous death on 23.3.53 in a lorry accident while coming to the office. The deceased was aged 45 years. At the time of his death he was getting a salary of Rs.110/-, dearness allowance of Rs.27/- and H.R.A. of Rs.12/-. per month. The ~~formerly~~ family of the deceased consisting of a wife aged 23 years, a daughter aged 5½ years, a son ~~of~~ aged 4½ years and a baby boy aged 7 months, were entirely dependent on the income of the deceased.

Late Sri.W.J.M.Gonsalves was a subscriber to the General Provident Fund, his account number being GA.~~7334~~ 7274. Enquiry shows that he had a policy of Rs.500/- in the Guardian of India Insurance Co., Ltd. Except the above assets, the deceased has not made anyother provision for the maintenance of his family. The sudden death of the deceased has put his widow and children into a helpless plight and they are now reduced to a condition of complete dependency on the charity of the well ~~wishers~~ of the deceased. The assets left behind him, are hardly enough for a decent living and for the education of the children for a couple of years. The widow of the deceased has already spent about Rs.200/- in connection with the funeral. There are no earning members in the family of the deceased. All his brothers have pre-deceased him. The widow of the deceased is also not in a state to earn a living. I consider this as a fit case for granting maximum gratuity.

3.The deceased counts a service of 20 years. He has been acting in the cadre of Head Clerk from June 1950. In view of the long service of the deceased and the scanty assets left behind, I recommend the applicant be granted a compassionate grautity of Rs.1500/-. The service register of Sri. W.J.M. Gonsalves is enclosed. Monthly subscribtion as per last pay bill = Rs. 30/-
